RECIPIENTS OF OTHG GRANTS SAY THANK YOU

Each year, OTHG donates a majority of the funds received from member dues to local area charities. The renewal form asks the member to indicate the portion of their dues that should be donated to the winter sports program or to programs serving seniors.

The member choices on their renewal forms this year indicated that 52% of our \$10,000 should go to Steamboat Winter Sports Club (SWSC), and the remaining 48% should go to senior programs, Routt County Council on Aging (RCCOA) \$2400, and NWCoVNA, \$2400.

We have received individual Thank You notes from the leader of the SWSC program on behalf of the group of five recipients. Two of the recipients sent us

sports meets.

The Thank You note from RCCOA indicated that the grant would benefit senior recreational and social programs and additional out of area travel, like a one-day train trip.

The Thank You note from NWCoVNA said they would use our funding to help establish new programs, such as home health at Casey's Pond, expanded dental care, and additional services to residents of the Haven in Hayden.

So, OTHG members, you should be proud that your membership fees are being put to good use.
