A LEADER NEEDED FOR SUMMER BIKING

Jack Ferguson has announced that he is not able to take on the road biking this season. After so many years, he deserves time off. We need to find a replacement while we are still buried in snow and have time to plan. Please consider taking over for Jack. It can be one person or more than one (after all he always had Mary Kay). Call Jack if you have questions about what the job entails. Thanks to Jack for the early heads up. Let's step up and give him a proper legacy.
