9:30 AM @ BILLY KID STATUE

This year's OTHG downhill skiing will be leaderless. If you do not want to ski alone, join us on **Thursdays at the Billy Kidd statue for a 9:30 AM departure**. The Billy Kidd statue is located at the southeast corner of the Sheridan Hotel at the base of Gondola Square.

Those present for the 9:30 AM departure will determine which lift to take and where we will start skiing. Further, we will take breaks as needed and **tentatively, we will plan on taking a break on the 3rd/top floor of the Rendezvous warming hut between 11:30 AM and noon**. If you miss the 9:30 departure you may want to look for us at Rendezvous. Wear your name tag on your parka if possible.

The Cookbook Club is a SSOTHG social event held almost every month (the 3rd Monday). It is a community for people of all cooking skills to meet to build cooking skills and friendships over food, one cookbook at a time.

At OTHG HAPPY HOURS prior to the Dinner, members sign up and choose a recipe from the cookbook for the month, BOBBY AT HOME by Bobby Flay. Take a picture of the recipe you have chosen, and don't improvise on the recipe. The group is limited to 12 participants.

Bring only the dish you have prepared, silverware, dishes, etc. will be provided. Also bring your own beverage. The group will enjoy and discuss the different dishes. Please register with Tom Winslow by texting Tom at (860) 878-4478 (no phone calls or emails please).

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every sale, purchase, and expense must be properly documented to ensure the integrity of the financial statements. This includes keeping receipts, invoices, and bank statements in a secure and organized manner.

Next, the document outlines the process of reconciling the books. This involves comparing the company's internal records with the bank statements to identify any discrepancies. If there are differences, the accountant must investigate the cause, such as a missed deposit or an incorrect recording of a transaction.

The third section covers the preparation of the financial statements. This includes the balance sheet, income statement, and statement of cash flows. Each statement provides a different perspective on the company's financial performance and position. The balance sheet shows the company's assets, liabilities, and equity at a specific point in time. The income statement shows the company's revenues and expenses over a period, resulting in net income or loss. The statement of cash flows shows the changes in the company's cash and cash equivalents over the same period.

Finally, the document discusses the importance of reviewing the financial statements with management. This allows the company's leadership to understand the financial results and make informed decisions about the company's future. It also provides an opportunity to discuss any areas of concern and to identify ways to improve the company's financial performance.
